9. *Additional information:*

- a. Most facilities with restroom accommodations are usually adequately supplied; however, it is advisable to carry your own supplies.
- b. Before drinking water at our sites, please be sure to check signs where water storage tanks are in use.
- c. Campers and pavilion-use patrons are advised to bring their own illuminating devices just in case park lights are not in working order. Applicants with pavilion-use permits are advised to bring spare light bulbs to the pavilions where electricity is provided. **NO CAMPING IN PAVILIONS.**
- d. Firewood is not furnished and fires must be confined to self-contained units. **Open fires are prohibited.**
- e. Vehicles should be parked in designated areas only and locked since break-ins are not uncommon. Do not leave personal belongings unattended. There are no motor home courts, but recreation vehicles are permitted to park in designated parking areas at the campground.
- f. Security guard service is provided only at Samuel Spencer Beach Park—all other camping and picnic sites do not provide this service. Use good judgment while staying at camp and picnic sites because some incidents of harassment and other unpleasant experiences have been reported in the past.
- g. Please report any unpleasant situations experienced, hazards, acts of vandalism and other accommodation defects found at any public facilities to our office as soon as possible. Thank you for your cooperation.
